

Early 23-24 Salisbury Transportation

This schedule is only valid until Red Bluff High School begins on August 16.

Please make sure to verify your bus number and stop times using the bus schedule below.

Please read the Parent Handbook for Student Transportation with your student.

The Parent Handbook for Student Transportation is available on the RBHSD website in the bus sign up section which is located by accessing the Transportation drop down menu. Students must follow the rules indicated in the Parent Handbook for Student Transportation.

Students should be at the bus stop 5 minutes before the scheduled pick up time in the mornings.

Afternoon stop times may vary depending on the number of students that ride the bus.

After the first week of school, buses will not service stops that are not used by students.

If a student needs to use a previously unused stop after the first week, the student must obtain a bus pass from the RBHS office and present it to the bus driver when boarding.

The buses may run late the first two weeks of school.
